I am an industrial designer with a focus on trauma informed, inclusive, and sustainable design. I pride myself in identifying and solving challenges facing people who are otherwise forgotten about in design.

Education

Kansas City Art Institute 2024-2027
Bachelors of Fine Arts in Product Design

Jefferson College
Certificate of Mastery in Digital Media 2020-2024
Associates of Fine Arts in Art 2018-2020

Work Experience

Workshop Assistant - Jefferson College 2022-2024
Assisted in running the art department through teaching, gallery work, and printer maintenance.

Freelance Graphic Design 2023-2024
Collaborated with various clients on projects including branding, apparel, tattoos, web, and print.

Projects

Socia, a Dissociation Plushie 2025
